

Dear Colleague,

Following a busy summer we are happy to share with you some assets created with the collaboration of NOL users, allowing you to gain new insights and perspectives on NOL monitoring. In this newsletter you'll find a series of new lectures, tutorials and testimonials, along with updates on our fast-growing global presence. Feel free to reach out to us too!

---

#### **Medasense in a Snapshot!**

One minute is all you need to understand the essence of Medasense. Watch our new 1-minute clip and help us win the MedTech Awards Best Video competition by liking it on [YouTube](#).

## NOL Testimonials

Wondering why clinicians like to use NOL? [In this video](#) leading clinicians reflect on the importance of nociception monitoring.

## Personalizing Analgesia with NOL

Dr. Hugo Vereecke of AZ Sint-Jan Brugge-Oostende AV, Belgium, explains how he uses [NOL technology to personalize analgesia administration](#) to each patient's specific needs.

---

## Latest Lectures

Catch up on new perspectives and knowledge shared at Euroanaesthesia (ESA) 2019. These two lectures dive deeper into how NOL monitoring helps guide drug titration.

*Prof. Stefan Schraag*  
[NOL in Thoracic Anaesthesia](#)

*Prof. Dan Longrois*  
[NOL Monitoring and Titration of Anaesthetic Drugs](#)

---

## New Territories on Board

We are very proud to welcome our new distribution partners Alpes in Chile, Renomed in Turkey and Getter in Israel. In parallel, Medtronic, our distributor in key European countries, has expanded NOL distribution to Greece and Germany!

---

### Will You Be There?

Take the opportunity to meet the Medasense team at:

[HAI2019](#), Berlin (September 19-21, 2019). Meet us at booth #40 and watch live NOL cases at the “NOL Technology Live” workshop at Charité – Universitätsmedizin Berlin. Register for the workshop [here](#) - places are limited.

[CLASA](#), Argentina (September 22-25, 2019). Our team will be waiting to meet you at booth #18.

To schedule 1:1 meetings at these conferences, contact [info@medasense.com](mailto:info@medasense.com).

Medtronic will also be hosting NOL workshops and lectures at [AAGBI](#) (Scotland, September 11-13, 2019), [SFAI](#) (Sweden, September 11-13, 2019) and [SFAR](#) (France, September 19-21, 2019).

---

## NOL in Japan

An audience of 300 clinicians gathered at Nihon Kohden's session during the Annual Meeting of the Japanese Society of Anesthesiologists to gain insights on NOL monitoring and clinical results. Leading the presentations were Prof. Toshiya Koitabashi and Dr. Hiroyuki Seki.

Our online education hub contains resources that will help you understand more about NOL and our technology, including learning modules, case studies and videos. Sign up [here](#) and look out for updates as new lessons become available.

---

In case you missed our last newsletter, [here's a chance to catch up](#).

Following us on [LinkedIn](#) is another great way to stay up to date on Medasense's upcoming events and progress.

Until next time!  
The Medasense team
